Russell Drew @RussOnPolitics · Jan 28 Kristi Noem is in New York City! That explains why I haven't seen any dogs on the streets today. They are in as much danger as the undocumented immigrants.

Obama deported more people than Trump. Biden was deporting 3,000/day during his term (Trump's not even close to that number).
Instead, Trump sends his goons to make a few arrests with a Fox camera crew and talking heads, and his supporters think he's doing something.
